## SPONSORSHIP OPPORTUNITIES

Daytona Beach Gymnastics is actively seeking community sponsors. This quality nonprofit organization needs additional financial resources to continue to make a difference in the lives of the Daytona Beach community's children.

The City of Daytona Beach, Leisure Services Department Youth Sports Programs cover girls and boys sports for the community's children, including inner city youth from the ages 3 –13 years old. Benefits to the participants are numerous, including goal setting, good sportsmanship, achievement, hard work and perseverance. Valuable fitness components include: Strength, flexibility, endurance and discipline. In addition, children enjoy playing sports. Many former "Daytona Beach Gymstars" have gone on to become leaders in our community.
