

Florida Department of Transportation State Road 5A/Nova Road from Beville Road to U.S. 92/International Speedway Boulevard

Volusia County

Project Financial No: 432438-3-52-01

PROJECT DESCRIPTION

The improvements in this project consist of milling and resurfacing the roadway, guardrail construction, signal and signing improvements, construction of bus pads, and construction of sidewalk and pedestrian features to comply with the Americans with Disabilities Act (ADA). The project will extend approximately 2 miles along Nova Road from Beville Road to U.S. 92/International Speedway Boulevard.

LANE CLOSURES AND WORK SCHEDULE

This project will require some daytime and nighttime lane closures and changes in traffic patterns. Electronic message boards and other signage will be used to help alert motorists to upcoming closures. Drivers are urged to use caution and stay alert for trucks entering and exiting the roadway.

PEDESTRIAN AND BICYCLE SAFETY

This project includes the construction of several new curb ramps and installation of pedestrian safety features. During construction, pedestrians and bicyclists may need to alter their routes as portions of existing sidewalk may need to be temporarily closed. Please do not walk or ride through active work areas.
