**STORMWATER AND REUSE WATER RATES
INCREASE
EFFECTIVE OCTOBER 1, 2011**

STORMWATER MANAGEMENT RATES PER ORDINANCE 98 101-107

**Residential Accounts: \$7.87 Dwelling Unit
All Other Accounts: \$7.87 ERU (1661 sq. ft)**

(Square footage of impervious (improved) area divided by 1661) x ERU rate

REUSE WATER FEES PER ORDINANCE # 98 171-181

**Residential Accounts: \$ 5.18 Month (minimum)
All Other Accounts: \$ 5.18 Irrigable Acre, rounded to the nearest acre**

The minimum fee for any parcel shall be \$ 5.18 month. The City Engineer shall determine the property area based on the data supplied by the County Property Appraiser. Use shall be limited to irrigation only. Any other use is prohibited.

SANITARY SEWER TAP FEES (SERVICE CONNECTION FEES)
EFFECTIVE OCTOBER 1, 2011

SECTION 1. Each person desiring to connect property within and without the City of Daytona Beach to the City's sanitary sewer system shall, prior to connecting and receiving a permit therefore, pay to the City of Daytona Beach the below provided sanitary sewer tap fees as follows:

- (A) In subdivisions where sanitary sewer mains and houses laterals are installed at the expense of the property owner, a fee of \$245.00 for each lot.**
- (B) On all other properties, a fee of \$1141.00 for each service connection.**
- (C) For properties described in (A) and (B) above outside the City limits in areas designated as Zone 1, the fees shall be 125% of the fees imposed in subsections (A) and (B).**
- (D) For all properties located in areas outside the City limits designated as Zone 2, the fees shall be 133% of the fees imposed in subsections (A) and (B).**

SEWER CAPITAL FACILITIES FEES

SECTION 2. Each person desiring to connect property within and without the City of Daytona Beach to the City's sanitary sewer system shall, prior to connecting and receiving a permit therefore, pay to the City of Daytona Beach the sanitary sewer capital facilities fee in the amounts provided as follows:

- (A) Each single family dwelling unit, a fee of \$1297.00 in addition to the sanitary sewer tap fee.**
- (B) Each multifamily dwelling unit, a fee of \$1297.00 per unit in addition to the sanitary sewer tap fee.**
- (C) Each motel and hotel sleeping unit with bathroom facilities, a fee of \$979.00 per unit in addition to the sanitary sewer tap fee. If such units have kitchen facilities, a fee of \$1297.00 per unit in addition to the sanitary sewer tap fee.**
- (D) All other plumbing installations to property not provided in subsections A, B and C above, a fee of \$92.00 per fixture unit as defined in the Plumbing Code of the City of Daytona Beach which adopts the Southern Standard Plumbing Code in addition to sanitary sewer tap fee.**
- (E) For all existing plumbing facilities provided in subsections (A-D) above that are connected to a sanitary sewage disposal system other than the City's, the fee shall be one-half of the fees provided in subsections (A-D) above.**
- (F) Permits issued for connection to the sanitary sewer system upon payment of the fees as provided in subsections (A-E) above shall be valid for a period of six months, after which the permit shall become void and the fees paid therefore shall not be refunded. If construction is commenced within the said six month period, the permit shall remain valid only so long as construction is diligently pursued to completion, otherwise said permit shall become void and the fee not refunded.**
- (G) The fees provided in subsections (A-E) above for property outside the City limits in areas designated as Zone 1 shall be 125% of the fees provided in subsections (A-E) above.**
- (H) The fees provided in subsections (A-E) above for property outside the City limits in areas designated as Zone 2 shall be 133% of the fees provided in subsections (A-E) above.**

EFFECTIVE OCTOBER 1, 2011

SECTION 1. Each person desiring to connect property within and without the City of Daytona Beach to the potable water system of the City shall, prior to connection and receiving a permit therefore, pay to the City water system tap fees as follows:

WATER TAP FEES
(SERVICE CONNECTION FEE FOR STANDARD INSTALL)

Tap Size	Zone 0 Inside City Limits	Zone 1 Outside City Limits (1.25%)	Zone 2 Outside City Limits (1.33%)
3/4"	\$1,141	\$1,426	\$1,518
1"	\$1,498	\$1,873	\$1,992
1" 1/2	\$1,978	\$2,473	\$2,631
2"	\$2,354	\$2,943	\$3,131
4"	\$8,096	\$10,120	\$10,768
6"	\$12,145	\$15,181	\$16,153
6" Dual	\$14,500	\$18,125	\$19,285
8"	\$14,405	\$18,006	\$19,159
8" Dual	\$16,758	\$20,948	\$22,288
10"	\$16,100	\$20,125	\$21,413
10" Dual	\$18,452	\$23,065	\$24,541

SECTION 2. Each person desiring to connect property within and without the City to the potable water system of the City shall, prior to the connecting or receiving a permit therefore, pay the water system capital facilities fees to the City as Follows:

WATER CAPITAL FACILITIES FEES

(A) Each single-family dwelling, a fee of \$979 in addition to the system tap fee.

(B) Each multi-family unit, including condominiums and apartments, a fee of \$979 per unit in addition to the water system tap fee.

(C) Each motel and hotel sleeping unit provided with bathroom facilities, a fee of \$818 per unit in addition to the water system tap fee: if such unit has kitchen facilities, a \$979 per unit addition to the water system tap fee.

(D) For property not provided in subsections (A)-(C) above, a fee of \$97 per fixture unit as defined in the Plumbing Code of the City of Daytona Beach, which adopts the Standard Plumbing Code, in addition to the water system tap fee.

(E) For all properties described in subsection (A)-(D) above, located outside the City limits in the area designed as Zone 1, a fee 125% of the fees provided in subsections (A)-(D) above.

(F) For all properties described in subsection (A)-(D) above, located outside the City limits in the area designed as Zone 2, a fee 133% of the fees provided in subsections (A)-(D) above.

(G) Permits issued upon payments of fees as provided in subsections (A)-(F) above shall be valid for a period of six (6) months at which time they become void and the fees paid therefore shall not be refunded. If

construction pursuant to the permit is commenced within six (6) months of issuance, permit shall remain valid only so long as the completion and failure to do so shall void the permit and the fee shall not be refunded.

SECTION 3. Each person desiring to connect property for service described in section 5 below within and without the City to the City's potable water system shall, prior to connecting or receiving a permit therefore, pay water system fire line tap fees as follows:

FIRE LINE TAP FEES (STANDARD INSTALLATION)

TAP SIZE	ZONE O	ZONE 1	ZONE 2
	INSIDE CITY LIMITS	(125%) OUTSIDE CITY	(133%) OUTSIDE CITY
2"	\$2,354	\$2,943	\$3,131
4"	\$8,096	\$10,120	\$10,768
6"	\$12,145	\$15,181	\$16,153
8"	\$14,403	\$18,004	\$19,156
10"	\$16,097	\$20,121	\$21,409

MONTHLY RATES

FIRE SERVICE	ZONE O	ZONE 1	ZONE 2
	INSIDE CITY LIMITS	125% OUTSIDE CITY	133% OUTSIDE CITY
2"	\$22.06	\$27.58	\$29.34
4"	\$33.67	\$42.09	\$44.78
6"	\$68.53	\$85.66	\$91.14
8"	\$134.72	\$168.40	\$179.18
10"	\$203.16	\$253.95	\$270.20
12"	\$268.21	\$335.26	\$356.72

The fees established in Section 3 and 4 above are only for potable water service used for sprinkler or other fire protection systems in buildings only. Such service shall not be used for any purpose other than fire protection and no other connection shall be made to such service, except that a connection for a tank or fire pump as a secondary supply of water for fire protection purposes only may be permitted.

FIRE HYDRANTS FEE SCHEDULE
EFFECTIVE OCTOBER 1, 2011

Monthly assessment for each hydrant on private property for the privilege of taking Water from the water system of the City through such fire hydrants for the prevention and extinguishments of fire and for the availability of the fire hydrant for such purposes.
The assessments provided in this section shall not apply to any fire hydrant on a metered service line.

MONTHLY ASSESSMENT

RATE PER FIRE HYDRANT

Zone O Inside City	Zone 1 & 2 outside City
\$14.62	\$18.28

NOTE: Such a service places upon the water utility the responsibility to install pumps, distribution mains, and related facilities sufficient to supply the private fire hydrants and sprinkler heads although they are used only in emergencies. In all fire extinguishing systems that receive their water from a public distribution system, care must be taken to prevent any contamination of the public supply.

2011/2012

PUBLIC SERVICE TAX

PER CITY ORDINANCE 00-423

For customers inside the corporate limits of the City, a Public Service Tax is imposed, calculated as ten percent (10%) of the monthly water charge, with exemptions provided for government accounts and churches used exclusively for church purposes.

PUBLIC SERVICE TAX RATE

10% of billed water
