6. **Farmers’ Market Manager Report**

Mr. Jeffries presented the report from the Market Manager. Mr. Jeffries stated Perrine’s is a new wholesale vendor in the Market and have expressed concern about access to the Market during special events. Mr. Jeffries stated he will speak with the owners to address their concerns. Mr. Jeffries stated the Farmers’ Market is always open on Saturday; but it has been reported by the Manager that many of the vendors have indicated they will not be at the Market the day after Christmas. It was the consensus of the Board that the Market should remain open the day after Christmas. Mr. Abraham stated it should be communicated to the vendors that the Market will be open and it will be the vendors’ choice as to whether they participate that day or not.

Ms. Kozinski expressed concern about the City’s rummage sale that is held on City Island that conflicts with available parking for the Market.

**Public Comments:**

Johnnie Ponder, 885 Maley, asked why it is perceived that vendors will not be at the Market the day after Christmas.

Ms. Kozinski stated many vendors arrive during the night to set up for the day of the Market and some do not want to spend Christmas night setting up their sites at the Market.

Mr. Jeffries stated he would talk with the Market Manager and stress that the Market will be open the day after Christmas.

7. **Riverfront Shops of Daytona Beach Campaign Funding**

Mr. Jeffries stated the advertising campaign is about $130,000. Mr. Jeffries stated a letter has been prepared for Mr. Abraham’s signature addressed to the City Manager outlining the DDA sponsored events and the request for funding. Mr. Jeffries noted that $15,000 is allocated for event fees. Mr. Jeffries stated an additional $15,000 is requested for various projects, including an update to the website, including photo and video updates. Mr. Jeffries stated the funds were not allocated in the CRA budget this year and recommends that the $15,000 for event fees and the funding for various projects be removed. Mr. Jeffries stated BrightHouse advertising will have to be reduced in order to balance the budget. Mr. Jeffries stated the fee allocated for Gold & Associates was based on that firm completing the website update. Mr. Jeffries stated he will talk with Keith Gold
about reducing his fee since he will be doing less work. Mr. Jeffries stated the rack card could also be canceled for this year.

Ms. White stated funding is needed for the ISB project, which is a major project.

Ms. White stated she feels updating the website is important.

Mr. Abraham stated he agreed. He stated it is more important to support events than produce the rack cards.

Mr. Abraham stated there is consensus from the Board to update the website and delete the photo shoot, customer survey, the rack card, and some BrightHouse advertising and savings will be redirected to event permit fees.

Kelly Koliopulos from BullsEye Marketing stated photos could be used from the Wine Walk for updates to the city’s website.

Mr. Jeffries stated he would provide an update to the Board at the December meeting.

8. **Discussion: Downtown Merchant Participation or Association**

Mr. Jeffries stated a meeting was held of the merchants on Tuesday but he was unable to attend. Mr. Jeffries stated it is his understanding that the merchants have agreed to work in sub-groups to discuss specific items, such as support for Riverfront Fridays and holding additional wine walks. Mr. Jeffries stated he does not believe the group is aware of the costs that are necessary in order to put on events but he will continue to work with them and help to address their concerns.

Kelly Koliopulos asked if there is funding for the fees to support the Dream Cruise and the Riverfront Festival of the Seasons and asked if there is funding for the fees for the Wine and Chocolate Walk and the Spirit of the Automobile.

Mr. Jeffries stated there is not funding at this time. Mr. Jeffries stated at this time he can barely cover the fees for the events that have occurred. He stated he will provide a report at the December on funding. He stated the $8,000 allocated for the rack cards could be used to offset events that have occurred.

9. **Board Comments**

Ms. White stated she has conflicts with the next few meetings and will be asking Commissioner Woods to fill in at the DDA meetings for her during her absence.
10. **Adjournment**

There being no further business to come before the Board, the meeting was adjourned at 9:00 a.m.

MEMO

To: Jason Jeffries, Downtown Redevelopment Project Manager
From: Noeleen Foster, Downtown Farmers' Market Manager
Regarding: November 2015 Downtown Farmers' Market Manager Report
Date: December 11, 2015

Manager Goals and Progress Report

1. Increase the number of local farmers selling at the Market
   - Vo-LaSalle Farms is planning to become a hydroponic produce Vendor in the Market as soon as possible.
   - Continue visiting local Markets to make personal connections with other Farmers and vendors to encourage their participation.

2. Increase the variety of food/products available for purchase at the Market
   - Several potential Vendors are planning to start after the Holidays including a new baker and an interesting variation on prepared spices.
   - Happy Hills Maple, another seasonal Vendor was well received back into the Market.
   - Continue to welcome vendors experimenting with new items thereby expanding Market products.

3. Market Happenings
   - It should be noted that Edwards Grocery has become quite a draw at the Market. Customers gather early to check out what is available and purchase in large quantities on a regular basis.
   - Perrine's Produce has also become very popular. They look forward to being able to accept EBT in the Market as soon as an internet hook up is available. Mr. Jeffries is reviewing possible costs.
   - This year Christmas falls on a Friday making the day after a Market Day. Very few Vendors (maybe 7) plan to participate due to vendors being out of town, Markets to resupply are not open and workers are unavailable to do the regular prep work for the Market the day before.
   - Momentum is great for the Market coming into the season.
4. Increase the customer base at the Market
   - Regular customers have been encouraged to write about and post their weekly shopping experiences on the Farmers' Market web site. Hoping it will turn into a habit.
   - Please note a large decline in business was experienced in October on the days the Magnolia Ave. Bridge was closed and the confusing Orange Ave. construction routes so that many regular customers were frustrated and unable to find the Market accessible. Another possible business interruption may be in the making in March due to an event scheduled to begin at noon on the 12th. Closing the Magnolia Bridge at noon is not an issue it's the scheduled set up at 8 am our prime business hours that is a concern.
   - The current Vendor list has been updated and is available to use for advertising and promotion.
   - Create a food court area next to the water to encourage customers to linger and meet friends.

5. Hold two special marketing promotions per year to survey customers to gage success of current Farmers' Market advertising
   - Weather conditions required the reschedule of the Fall Customer Survey which will be conducted as soon as possible to capture the winter residents.

Gary Shimun, Deputy City Manager
The City of Daytona Beach
P.O. Box 2451
Daytona Beach, FL 32115-2451

Re: Farmers’ Market 2015 Annual Report

Dear Mr. Shimun:

The Downtown Development Authority (DDA) has completed its fourth fiscal year of operating the Daytona Beach Farmers’ Market and is pleased to share with The City of Daytona Beach, the progress that has been made to improve the Farmers’ Market consistent with the license agreement and Farmers’ Market operation plan presented by the DDA.

The following is a report on the status of the performance goals the DDA is to achieve while operating the Farmers’ Market.

1. **Create the best Farmers' Market in Volusia County as a destination with offerings that include local produce, artisan goods, local artists and performers, and regularly occurring on-site community events.**

   The DDA is committed to developing the Farmers’ Market into a destination for Downtown Daytona Beach. The Market Manager continues to recruit vendors that sell local produce and have local artists and performers at the market. The Farmers’ Market Information Booth creates a friendly, welcoming atmosphere where people like to come and visit for a while and help themselves to some ice cold water.

2. **Increase the number of vendors providing local produce and goods selling at the Market.**

   The Farmers’ Market has seen increased activity from local vendors selling homemade foods and goods. The DDA has adopted rules and regulations to not accept any new wholesale produce vendors and to encourage the addition of new local farmers as vendors. Due to personal health issues, two of the vendors that sell wholesale produce reduced their presence at the market this year. To maintain produce availability year-around at the Market, the DDA is recruiting new wholesale produce vendors. The amount of spaces allocated to wholesale vendors will not exceed the numbers of spaces when the DDA took over the operation of the Market.
3. **Increase the variety of foods available for purchase at the Market.**

The variety of foods at the market has increased. In addition to the base of produce sellers at the market, the DDA has attracted more vendors selling homemade goods, such as local fish, bakers, fresh dairy, skin products, breakfast, and fresh seasonings.

4. **Develop a website.**

The DDA has launched the Riverfronts Shops of Daytona Beach website that has a dedicated page for the Farmers’ Market. The page contains information on the location of the market, vendors, and items for sale at the market. Promotions and news for the Farmers’ Market is posted on the website. The DDA has a Facebook page for the Riverfront Shops that also promotes the Farmers’ Market. The Riverfront Shops web is planned to be overhauled in the upcoming fiscal year to remain current with online marketing trends.

5. **Increase the number of customers attending the market.**

Based on past customer surveys, the DDA advertises the Farmers’ Market using the following tactics to increase customers to the market:

- Radio: WNDB Weekend Update Sponsor
- Print: News Journal
- In-Room Concierge Book (Riverfront Shops)
- Riverfront Shops e-newsletter
- Facebook page posting of events and offers

6. **Provide effective communication and thorough information for vendors.**

Management has been a consistent presence in the Market implementing direct communications with the vendors regarding special events and coordinating the yearly Fall Market re-expansion.

7. **Reinvest all revenues derived from the operation of the Farmers Market back into the Market.**

The DDA continues to ensure that all vendor revenues are reinvested into the Farmers’ Market through onsite Market management and advertising to potential Farmers’ Market customers. See performance goal #5 for list of marketing efforts by the DDA for the Farmers’ Market. The attached financial report provides an overview of market revenues and expenses during 2015. The $212 in surplus funds will be reinvested in the next budget year.

8. **Apply for a USDA grant to implement an EBT payment program at the Market.**

The DDA applied for a USDA grant to implement an EBT program. The DDA was not awarded the grant from the USDA. The DDA is pursuing a corporate sponsor to provided funds to implement EBT at the market.
9. **Provide signage to identify Market vendors.**

The DDA has focused on developing signage to identify the location of the market. The Market Manager continues to distribute temporary signage each Saturday.

10. **Explore and implement new ideas that will promote the general Downtown Business District.**

There is an information booth at the Farmers’ Market with Downtown business information / friendly local references and the advertising of the Farmers’ Market is integrated into the marketing for the Riverfront Shops of Daytona Beach and Downtown.

Once again, the DDA appreciates the opportunity to manage an important asset to Downtown Daytona Beach and looks forward to continued improvements to the Farmers’ Market.

Sincerely,

SUBJECT: Riverfront Shops of Daytona Beach Campaign & Funding Requests

The DDA has $19,166 budgeted in the Downtown Marketing line item. The following items have been approved previously:

There is $1,766 available in the Downtown Marketing line item. An additional $1,000 will need to be transferred from the Co-op Marketing line item to fund the advertising.

An additional $30,000 was requested from the CRA to support the Riverfront Shops advertising campaign and Downtown events. It appears the CRA has committed to support $20,000 towards events and Riverfront Shops marketing. Based on the conversation at the last meeting, staff is recommending the following projects be cut from the DDA advertising funding:

- Photo / Video Shoot: $4,500
- Hotel Rack Card: $5,500 (net cost to DDA)

The cuts from the DDA advertising total $10,000. The remaining $15,000 was allocated for event permit fees for the 2015/16 DDA sponsored events.
